## THE EXHIBITION AND LAUNCH EVENT

We are pulling out all the stops to make a success of our Exhibition through November in the Hive, and our Launch event on Monday 10<sup>th</sup> November 6.45pm for 7.00pm.

We have now finalized the exhibition content and it is stunning. Steve and Ron have done a terrific, perhaps unprecedented, monumental coup! Be there!

### We want you there at the Launch

We ask you to **TELL PETE** that you will be there and how many seats you need.

We need to carefully manage seating and our brilliant surprise or two for everyone.

To help you invite a guest to attend with you, I have **attached an invitation card**. Personally, I have four guests, three of them nascent photographers. But your guests don't need to be photographers.

Worcestershire Camera Club

You are warmly invited to

PHOTOGRAPHIC EXHIBITION  
LAUNCH EVENT

In the STUDIO at the  
HIVE, WORCESTER

MONDAY 10th NOVEMBER 2025 6.45 - 7.00pm

Please confirm your attendance, with the number attending, to PR@worccc.uk

# Let's Raise Public Awareness Of Our Club

**Be aware! We have a good number of new members, but we need more publicity to help recoup our numbers after recent losses and to increase public awareness of our 135-year-old club.**

To aid this important objective, this month we have..

- The current edition of Worcester News carries a half page advert for the club.
- Likewise, the current edition of Berrows Journal carries a FULL PAGE editorial and advert for the club.
- The Worcester Trade Link magazine carries a large advert for the club.
- Digital advertising is presently being prepared by Worcester News.

My warmest best wishes to  
all our members and friends
