Promoting the Club – The Hive Exhibition

Invitation to our Hive exhibition launch event.

Monday November 10th at 7pm

The Mayor of Worcester will be our guest

Please Arrive By 6.45

RSVP

You are already aware of our exhibition plans from *Jeff blogs 17 and 18*.

The exhibition launch event will take place on Monday 10th November in the Studio at the Hive. You are of course invited! During October you will receive an invitation card to hand to a family member or a friend or two. We will ask everyone to be seated by 7pm latest on the day. I'm pleased to say that the Mayor of Worcester will be our guest, and he will join us at 7.05pm.

After a welcome by me as Chair, Liz Gillham will compere a series of short, breezy, unforgettable presentations by Nigel Reader (Transform your phone camera images), Simon Vaughan (Improving your photo skills) and Darren Leeson (Aiming for photo excellence).

Please note:

- ◆ We plan to offer soft drinks and there will be a token gift for everyone. We intend to offer an escorted tour of the exhibition following the launch.
- ◆ Please confirm to Pete Edwards (pr@worcscc.co) that you will be attending and, when you know, how many seats you require, as seating will be limited.

Camera kit sale on Tuesday 30th September

A range of photographic items left to us by former member Frank Screen will be offered for sale at our club meeting on Tuesday 30th September. Duncan has arranged the sale to take place in a slightly longer-than-usual interval at prices that will sell.

Derek and Simon change committee roles

With immediate effect, Derek Skinner now assumes our Best Practice Lead role, held last season by Simon Vaughan, and Simon assumes the Club Membership Secretary role. Both have done sterling work for us, and the present changes, agreed by the club Committee on 10th September, will release new energies and insights into both roles.

Derek will bring a fresh pair of eyes to help ensure we are adopting best practices across all areas of club activity. Simon will build on the new member onboarding work and extend the principles to all members. This will help ensure they are able to access what they want from the club.

And Finally

Thanks everyone for paying your annual subscriptions and for staying with us for another exciting year. We have already started the new season in excellent fashion. If you would like to serve in some way, great or small, in running the club, please give me a call.

Warm personal greetings from me
